

NETWORK 3 DIAL-A-NURSE

- It's 2 a.m. and you have a medical question--who do you call?
- **DIAL 1-800-877-6976**
- **An R.N. is now just a phone call away!**

ATTENTION VETERANS: There is a new service for all veterans in VISN #3 (Brooklyn, Bronx, Castle Point, New Jersey Health Care System, Montrose, New York, and Northport VA Medical Centers). During nonadministrative hours (evenings, nights, weekends, and holidays), there is a nurse just a phone call away to answer your questions, to cancel an appointment, and to put you in touch with your health care provider. Just call 1-800-877-6976, and a nurse will be available to assist you.
